### 1.0 About Us

PATHLE Consultants Ltd is a dynamic consulting firm established in 2018. The firm offers local and regional expertise in various areas of consulting, including project evaluations, surveys, capacity building and training, strategic planning, and general consulting and advisory services. PATHLE Consultants Ltd is run and managed by a team of professionals with proven competency in these fields.

PATHLE is an invaluable partner that listens, engages, and addresses the challenges faced by institutions and organizations by offering solutions that support sound corporate strategies and enhance organizational growth and

efficiency to gain a competitive edge.

PATHLE Consultants Ltd also undertakes Corporate Social Responsibility (CSR) initiatives, including collecting textbooks from community members and providing free reading materials to vulnerable children and youth.

## **1.1 Why PATHLE Consultants Ltd**

We believe that our clients' success is our success. We emphasize professionalism and consistently maintain high standards of service while ensuring that we bring the best team of senior consultants to every project.

Our resource personnel have consistently provided reliable consultancy and support services to a wide range of institutions, either as executives, business partners, or consultants. The foundation of our philosophy is building long-term business partnerships based on strong interpersonal relationships, reliability, assured quality, and the effective use of modern technology.

We understand our clients' specific needs and sector-specific environments. We help organizations explore extraordinary opportunities, manage and sustain growth, and maximize desired outcomes.

## **2.0 Vision**

To be a leading firm delivering quality and affordable consulting services in Kenya and beyond.

## **3.0 Mission**

To provide quality value-based services to our clients and enhance organizational development and transformation.

## **4.0 Our Values**

- Professionalism: We are ethical and committed to delivering our services professionally.
- Integrity and Stewardship: We model ethical behavior and accountability.
- Innovation: We are driven by continuous improvement.
- Teamwork: We work collaboratively to add value to our clients' needs.

- Flexibility: We are adaptive, flexible, and responsive in achieving results and impact.

## **5.0 Our Services**

PATHLE Consultants Ltd provides a wide range of services in project management and human resource capacity building. The firm undertakes the following key functions:

1. Consultancy services including project evaluations, assessments, feasibility studies, project design, and baseline surveys.
2. Capacity building and training in entrepreneurship, leadership skills, natural resources project management, gender and development, proposal writing and resource management, project financial management, poverty eradication, public financial management, and procurement training.
3. Learning and Development (L&D).
4. Strategic Planning Development.
5. Recruitment Services.
6. Management and Human Resource Consultancy.
7. Organizational Development.
8. General consulting and advisory services.

## **6.0 Management Team**

The main strength of PATHLE Consultants Ltd lies in its highly specialized and focused team of professionals. Each member possesses expertise gained through extensive experience working in both government and private sector institutions.
